TISSUE

T°3

ALL KILLER, NO FILLER

Aside from the six pages of advertising, we won't ever sell you anything except inspiration. This makes for 124 pages of pure content: tits and ass and things related, coming together in a colourful eruption! Next to this spectacle of flesh, *TISSUE* is once more celebrating the wonder of life, proudly paying respect to all beings. In this third issue we're giving a special tribute to the ones who brought us here and taught us so: **our mothers**.

But don't get us wrong, we are not one of those theme-based magazines struggling to find a *raison d'être* with a flamboyant topic every publication. As a periodical we are only devoted to the artist and to you, dear reader. And a lucky bastard you are, holding this unique piece of good old craftsmanship in your hands. Limited to 2,000 copies worldwide, each one is dripping with six months of blood, sweat, and even some tears we shed within the walls of our editorial office.

It would be nothing though without our contributors who are giving their very best: their art. All for the creation itself (and not for the dollars). We are, because you are.

UWE LEN'S BERMETTINGER
Editor-in-chief

ARTIST **A.ACTIVITIES**

14 — 19
Viennese art collective **A.ACTIVITIES** reclaim the subway in a seriously good-looking act of civil disobedience. Talking about seriousness, it was quite hard to get a hold of them — their security precautions were no joke. Go on tissuemagazine.com to see the whole video.

ARTIST **LEIGH LEDARE**

20 — 23
LEIGH LEDARE shot to fame with *Pretend You're Actually Alive*, a book that played with its recipient's moral mindset by displaying his own mother whilst having sex with strangers. Ever since then, *Larry Clark's* former protégé has used the naked body as his main subject. Here he explains why.

COVER & 24 — 33

PHOTOGRAPHER **LUKAS GANSTERER**
STYLING **ADELAIDA CUE BÄR (LA ROQUETTE)**
HAIR MAKE-UP **FEE ROMERO (LA ROQUETTE)**

We send him out to come up with something fetish — anything really. And what does *Team TISSUE's* premier homeboy, the **GANSTERER**, do? He had his model pull that spandex real tight. Made us think of early-noughties one-hit wonder *Fanny Pack*: "Um hmm that's right. Uh huh uh huh // She had a frontal wedgie, a camel toe!" Well, we guess that counts.

34 — 47

ARTIST **MIROSLAV TICHÝ**

No facials, please! **MIROSLAV TICHÝ** notoriously admired the female body in all its glory, but one thing he was not: a face guy. Now recently emerged drawings prove that this wasn't just some thing, but an artistic concept in the truest sense. Bare with us as we shed a new light on everyone's favorite tramp-come-photographer.

48 — 49

ARTIST **MAGAZINE**

When *Barnt* isn't having his tracks played at Chanel fashion shows — as happened with his dancefloor stomper "Geffen" — him and his friends *Jens-Uwe Beyer* and *Crato* run the record label **MAGAZINE**. A record label with such strong visuals, their disc covers are better than ketamine. No wonder they were picked up by book project *Public Folder*. And that is just something (techno, buzz, books) we couldn't resist!

50 — 54

PHOTOGRAPHER **LENA KHOLKINA**
MODEL **ALYOSHA**
LOCATION **KSENIA SEREBROVA**

Being the ex-Cold War, imperialistic thinkers that we are, we love up-and-coming Moscovite **ELENA KHOLKINA'S** images for their *Ostblock-Ästhetik*. Just look at that colouring! But then, we're also deeply in love with this svelte beauty she so intimately captures.

55 — 63

PHOTOGRAPHER **MARTIN EDER**
MODEL **CHRISO**

Again the Dark Lord casts his spell. After being the *hero* in our last issue, we invited **MARTIN EDER** to take part in the first installment of our exhibition series *TISSUE Ultra*, which is also where we hooked him up with our long-time muse *Cool Chriso*. Leave it to one of Germany's most relevant artists to use his dark magic to transform her into something a bit more twisted. Pure witchcraft.

64 — 65

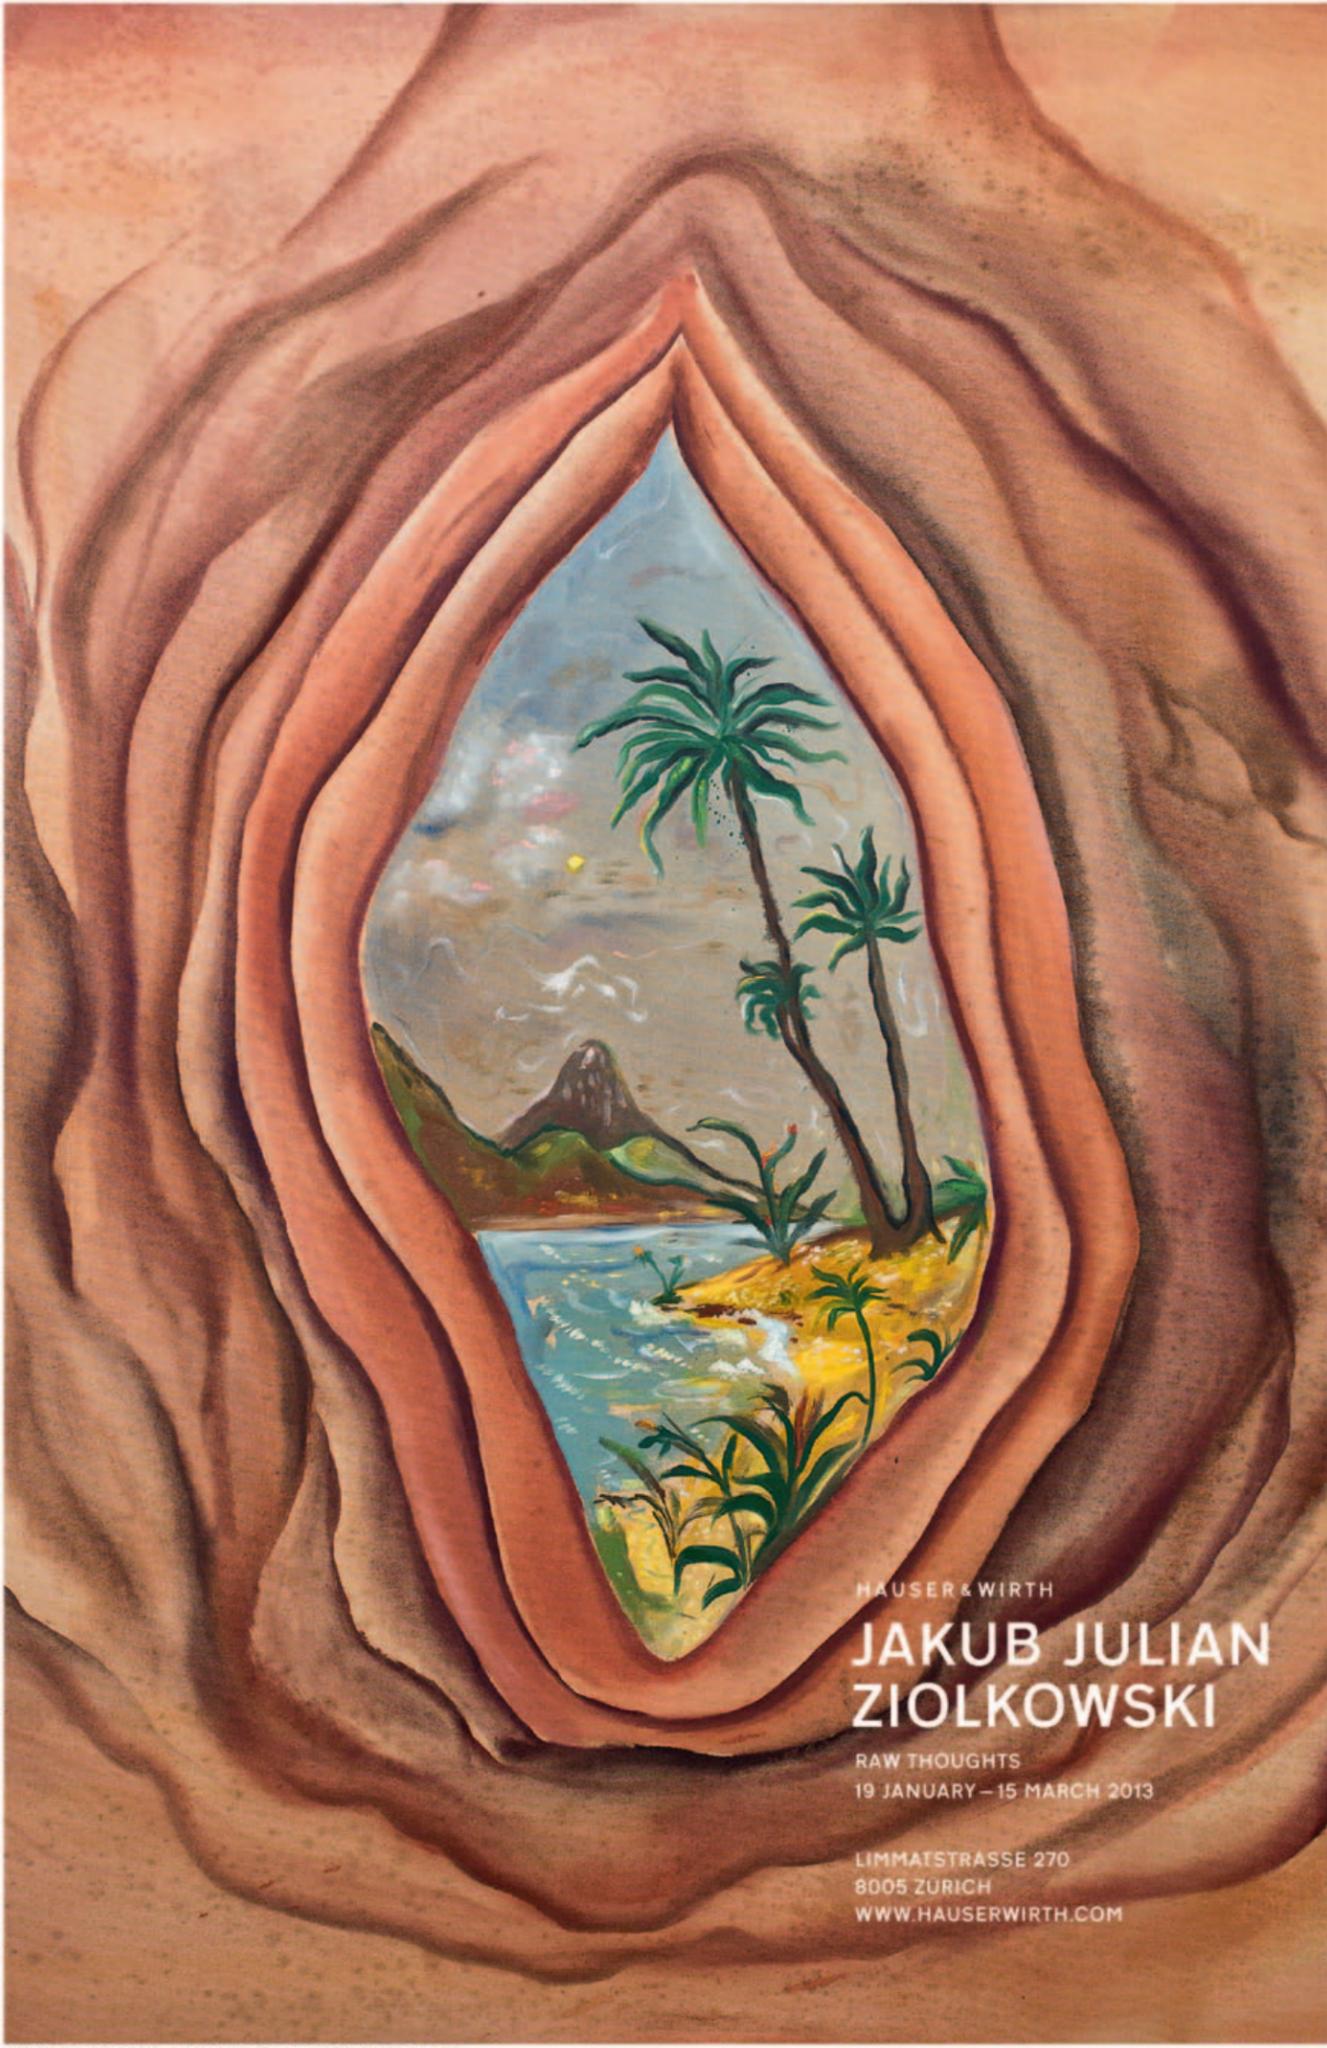

AUTHOR **STEVE OKLYN OF NOT VOGUE**

Only half-jokingly named *The World's Greatest Fashion Critic* by some, the usually scalpel tongued **STEVE OKLYN OF NOT VOGUE** fashion blog reveals his soft side. Bring your seminary knowledge though; this lyrical mashup requires some intertextual dissecting.

66 — 67

PHOTOGRAPHER **HANNA PUTZ**

Can't stop, won't stop. *TISSUE* loves **HANNA PUTZ**, and once more we feel blessed to have a work of hers in our magazine, even if it's *baby-sized*. Just so you know, we did offer her twenty pages, plus cover, plus poster, but little lady is just too busy roaming the globe with that new art scholarship ... pff.

HAUSER & WIRTH
